

GAARC Meeting 6-3-2010
Schiele Museum

Meeting called to order by President Michael Ledford (AJ4QJ) at time of 1909 local time.

Introductions were made with visitors present.

Minutes from April meeting were read by Secretary Brad Sitton (KJ4PAH) and approved as read. Minutes from May meeting were not recorded due to meeting being a joint meeting hosted by GCARS.

Treasurer's report was taken from what was last recorded in the minutes from April minus rent for the mountain.

Ken Ledford (AG4EI) reported on current nets.

ARES president George Poteat reported on the Red Cross drill on June 18th starting at 1 pm. George also reported the next GCARS meeting is June 7th to discuss the finalization of plans for Field Day.

Susan Melvin (K4ZNX) reported the next SARC meeting is on June 15th to discuss plans for Cleveland County Field Day and a possible test session after the meeting. Susan also thanked those that helped out with the triathlon.

AJ4QJ said he would secure the grill for Field Day weekend. Discussion was made on the club banner. The possibility of a new meeting location was discussed.

With no further business to discuss on the floor, the meeting was turned over to Jim Craig (KI4OCC) for a presentation on Propagation of Electrical Current.

Meeting adjourned at time of 1945 local time.

Submitted by Brad Sitton KJ4PAH, GAARC Secretary.
