Schiele Museum

Paul opened the meeting by welcoming everyone and thanking them for coming out.

David followed with the treasurer's report.

Milton read the October minutes and they were approved as read

Paul thanked Jim Craig and Joe Hullender for taking time to allow us to meet at the museum.

Paul also reminded everyone of the SET (Simulated Emergency Test) this coming weekend. Everyone is encouraged to check in and volunteer if you can

The club Christmas dinner is scheduled for Thursday December 6th at Ryans. The room is reserved from 6:30pm until closing. Everyone is encouraged to come out, bring the family and have a great time.

Paul took a few moments to talk about some possible fund raising ideas for the future. These included a raffle, an auction and sponsoring a month on the mountain.

Don asked for ideas of what the membership wants to see or do for meeting topics and other club functions.

Joe mentioned that the Tech class was coming together and should be ready to announce to everyone soon. The classes are scheduled to begin in March.

With no further business, Paul thanked everyone, reminded all about the Christmas dinner.
