

Gastonia Area Amateur Radio Club  
Meeting: June 7, 2007  
Schiele Museum  
Minutes

Paul brought the meeting to order and welcomed all in attendance.  
A round of introductions of members and guests followed.

David provided a treasurer's report and shared that the club was in good standing so far this year

This was followed by a discussion on Field Day.

The discussions focused on the operating class and most agreed that running 3 transmitters was probably the best.

Most of the equipment should already be available or plans have been made to have it available.

Paul and Barney worked out a food/refreshment list for the event.

Those planning on helping set up equipment for Field Day were asked to be at the museum around 9am on Saturday to get started.

In other business, Milton mentioned that the GAARC was going to be set up at several events.

On Saturday June 16, the club will have a display set up at the museum's Mid Summer Festival. The event runs from 10am-4pm. Members are encouraged to stop by or help with the display.

On Wednesday, June 20, the club has been invited by the Gastonia Police Department to set up an amateur radio display in conjunction with their community-policing program. The event will be held at the Erwin Center from 4pm-8pm

With no further business to take care of, Paul closed the meeting and invited everyone to the lobby for enjoy some refreshing ice cream and fellowship.

Submitted,

Milton Rice
